

Transportation Improvement Board

Pedestrian Facility Program(PFP)

Application Form

Section 1 - GENERAL INFORMATION

Agency Name

Agency Address

Contact Person

Phone Number

Project Name & Termini

Length in Feet of Proposed Pedestrian Facility

Legislative District

Arterial Route Classification

☐ Principal ☐ Minor ☐ Collector ☐ Unclassified

Section 2 - EXISTING CONDITIONS

Describe the existing physical conditions (i.e. vehicle speeds, alignment, ease of walking, etc.) as well as the type and amount of usage (i.e. pedestrians bicycles) and any pedestrian generators or destinations. Where are people walking now?

Proposed Sidewalk Width in Feet

Existing Roadway Width in Feet

Existing Roadway ADT

Application Form

Section 3 - PROPOSED IMPROVEMENTS

- Describe the type of work planned for the project. Include widths and lengths and attach a typical section.
- Attach a detailed vicinity map showing the project location, including location of existing sidewalks in the vicinity.
- Is this a 'gap' or extension project?
- Describe any pedestrian generators and destinations affected by the project.
- List the anticipated construction start date.

Section 4 - PEDESTRIAN SAFETY

Include a discussion of pedestrian/bicycle related accidents, existing conditions causing those accidents and types of pedestrians.

Accident History (last three years)

Vehicle with Vehicle

Vehicle with Pedestrian

Pedestrian Fatalities

Section 5 - ACCESSIBILITY & LINKAGES

Discuss user access to the system (including access to transit systems, schools, CBD's, employment centers, etc.).

Pedestrian Facility Program(PFP)

Application Form

Section 6 - SYSTEM CONTINUITY

Describe how the project would provide continuity between existing or proposed pedestrian generators and destinations including a description of types of traffic, and existing land uses the area. Is this a missing link of an existing system or the extension of an existing system?

Section 7 - ECONOMIC DEVELOPMENT

Does the project enhance economic development?

☐ YES

☐ NO

If YES, how does this project promote new jobs or retain existing jobs? Does the project impact an economically distressed area?

Section 8 - OTHER FACTORS

Provide any additional information about the project that is unique and should be considered in the evaluation of this application (e.g. joint with adjoining agency, private sector involvement, above minimum local match funds, etc.). Also discuss any public/neighborhood involvement that has taken place or is planned. Meaningful and timely public involvement is required.
